## Throw your timbrel in the air and fire another volley! Gosnells Corps in Perth has just celebrated 100 years of living out the mission of The Salvation Army!

The historic corps in Perth's outer south-east celebrated the past and looked towards a bright future as hundreds of people gathered over the three-day anniversary in April.

Like many corps, Gosnells has weathered good and bad seasons. In its early years, it was a thriving family corps with a big brass band, multiple candidates and spirit-filled worship. In 2021, the spirit remains as strong as ever with 40-50 attendees a week.

The centenary event melded the old and the new. Lifelong attendees were joined by some young families that have recently joined the church. Former officers Captain Margaret and Major Clyde Colls led the Sunday meeting that started out with some old songs before finishing with some newer ones. The meeting concluded with a meaningful altar call.

A banner at the back of the hall sums up Gosnells' approach to mission: "A growing, loving community of people dynamically living God's mission in a broken world." Welcome to Gosnells Corps – with 100 years down and many more to go, they carry the old and new of Salvation Army history in their hands and hearts. Congratulations!

## ACKNOWLEDGEMENT OF COUNTRY

Salvation Army Housing WA acknowledges and pays respect to the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

National Reconciliation Week (NRW) started as the Week of Prayer for Reconciliation in 1993 (the International Year of the World's Indigenous Peoples) and was supported by Australia's major faith communities. In 1996, the Council for Aboriginal Reconciliation launched Australia's first National Reconciliation Week. In 2001, Reconciliation Australia was established to continue to provide national leadership on reconciliation. In the same year, approximately 300,000 people walked across Sydney Harbour Bridge as part of National Reconciliation Week-and subsequently across bridges in cities and towns-to show their support for reconciliation. Today, National Reconciliation Week is celebrated in workplaces, schools and early learning services, community organisations and groups, and by individuals Australia-wide. Hundreds of NRW events are held each year.

## WE NEED YOUR HELP TO INCREASE OUR RESPONSE.

Last year the Salvos helped 290,500 Aussies experiencing homelessness. But, as the pandemic continues, homelessness is increasing and we need your help to increase our response.

From small towns to big cities, for 140 years we've been on the ground tackling this issue head on. But we can't do it without you.

If you make a tax deductible donation today, you are not only helping people escape homelessness but you're also giving them the respect, dignity, love and care that every person deserves. Your gift will go towards providing someone with practical, life-changing help. From a hot shower and a healthy meal, to the ongoing, one-on-one support it takes to help someone get back on their feet.

Please donate before 30 June and let's fight the increase in homelessness.

Thank you.

**Leave no one in need. Make your tax deductible donation now.**
