

Living in Community

We are half way through our series on community already. There has been a lot for us to consider and ponder about what community means and today we look at what it means to live in community.

In writing to the church in Rome, Paul encourages them on how to live a Christian life - harmony, humility, and love are his main concerns. In the first 11 chapters of Romans, Paul speaks about doctrine and theology which are important foundations for all Christians – all followers of Jesus. He then transitions into 5 chapters of practical instruction showing the importance of the union between what we believe and how we live out those beliefs. Because of the love and sacrifice of Jesus, we ought to live sacrificial lives as well, devoting our talents and energy to serve one another and finding ways to use love to make a difference in this world.

We know church is not simply a building it is the people – at Brisbane City Temple the church is each one of us who call this place our spiritual home.

This week it is our prayer that we will remember these things to help us live well in community as the church:-

We all need each other

We are here to serve each other

We are all here to be loved

Our National Vision

Wherever there is hardship or injustice

Salvos will live, love and fight

Alongside others

To transform Australia one life at time

With the love of Jesus

Generous Community

Thank you to those people who were able to donate furniture items to support someone in need this week.

It is a blessing to share in your generosity and to see the difference it has made to one person's life.

A weekly bible study is something that seems too hard for Mums with little children or older kids that are extra busy. Whether it be bedtime routines, homework or other commitments, a weeknight out is just not feasible. After seeing the idea from another corps, a small group of women from BCT have recently started "meeting" online on a Wednesday evening (when the boys are at band!) and are enjoying studying the word together. Using Skype, they can hear and see each other and for an hour follow a simple study - they are currently looking at friendship and the various examples in the bible. How great to overcome the barrier of having to stay at home in the evenings and to have this time together!

Happy wedding anniversary Congratulations to **Stuart and Joyce Dunstan** who recently celebrated their 71st Wedding Anniversary

Working Bee Jobs – Mon 12th, Tues 13, Fri 16 and Sat 17th August

Thank you to those who have indicated their availability to assist in our working bee on Saturday 17/8. We are looking forward to having fun together as we clean – yes fun and cleaning don't always go well together but in our case they do. If you have a specific cleaning task you are gifted at, please write your name in the matching box so we know how we can disperse our work force.

Preparation - *Would you be available to help with some painting preparation prior to our working bee on Saturday 17th August? We need to do some patch up work, taping and undercoating prior to Saturday 17th. If you have any time to give on either Monday 12/8, Tuesday 13/8 or Friday 16/8 please indicate on the signup sheet. We are looking forward to working together as a community and being involved in transformation.*

Working Bee Equipment

If you have your own brushes, rollers, paint trays, drop sheets, could you let us know so that we know how much we need to purchase so that as many people as possible can be painting at the one time. If you have your own cleaning tools – brushes, buckets, gloves please bring them along. All cleaning products will be provided for you.

Working Bee Catering We would love to be able to feed our willing helpers during the day can you help? Please speak to Sharon for Pamela for more details.

There are sign up sheets on the notice board in the foyer for you to indicate your availability for our working bee days.

Lockers - Today is the LAST opportunity to let Pamela know about needing a locker. Lockers will be relocated to outside the social hall during the week and unused lockers will be recycled. If you previously had a locker and it still has a lock on it that you wish to keep, **please remove it by Thursday 15/8**
