Encountering *Jesus*

22nd SEPTEMBER 2019

Faith - complete trust or confidence in someone or something. Bartimaeus had faith that Jesus would have mercy on him - that Jesus would show compassion towards him. Life was a struggle for Bartimaeus because he was blind. He begged for money on the side of the road as he was not able to do any other work due to his blindness. When he heard Jesus was walking down the road near where he was, Bartimaeus called out for Jesus to have mercy on him. He was told by the crowd to be quiet but that only made him call out louder. You see Bartimaeus had faith that an encounter with Jesus would be life changing. You can read what exactly happened in Mark 10:46-52.

Do you believe that Jesus can and will rescue you from your situation? Do you believe that an encounter with Jesus will transform your life? Maybe you think your circumstances stop Jesus from having anything to do with you. Perhaps you feel that you should be more presentable before coming to Jesus but that is not the truth and not how Jesus works. He meets each of us right where we are in the middle of our circumstances and in his loving and compassionate way he desires to bring about a transformation in us. Take the step to allow Jesus to meet you where you are, to call out for his help and take the first step in following Jesus today.
