Message from the  
Divisional Commander

NSW & ACT - MAJOR KIM HAWORTH

Are you like me, and have spent time ruminating on the words spoken to us by our General during his visit back at the end of August?

Didn't our international leaders bless us with a timely and passionate message about ensuring Jesus is not just present or prominent in our lives and work, but pre-eminent! Hallelujah.

Many have expressed to me their sense of expectation in these days, that the Spirit of God is moving and inviting us to partner in all He's doing and going to do, in and through us. Do you feel it? It's very exciting – even among the significant challenges before us in our movement, the broader church and world, God is still on the throne and Jesus is the answer – the way, the truth and the life! I've been greatly encouraged by how you're responding to the Lord's promptings and the needs of people in the places where you serve. I know that we will continue to see the fruit of your labour and obedience to Holy Spirit in the days to come.

I personally been prompted again by the words of Jesus in Matthew 6:33 to 'seek first the Kingdom of God and His righteousness, and all other things will be added...'

We need to hear these words right now! The Lord is going to continue to ask us to step out of our comfort zones, to die to self and follow Him, to do new bold and courageous things. This will mean putting aside our own comfort, our own desires, and preferences, and being 'all-in' to the greatest adventure and life – one we are called to, abundant life with God. This is the same spirit that raised up The Salvation Army all those years ago. We carry an old and beautiful fire with fresh anointing for this new season.

C'mon – let's go and keep going!

Bless you heaps – it's a sincere honour and joy to work alongside you!

*Our National Vision*

Salvos will live, love and fight
